Your company data provided above will only be used for the activities of WWF South Africa. The information will not be released to- or shared with any third party without your prior consent.

Note that your support as a Business Network Partner does not construe a relationship, and does not entitle you or your organisation to use our data or our trademarks (which includes without limitation our name and logo) without our written consent.

Declaration by applicant:

As a WWF Business Network Partner we shall:

- Support the goal of a future where people live in harmony with nature
- Share and expound the vision of WWF
- Cooperate with WWF to achieve its conservation goals
- Be open to constructive dialogue, and
- Encourage communication and engagements that include our staff

We acknowledge that WWF does not work with companies that:

- Place WWF's reputation and independence at risk
- Give rise to irreconcilable ethical and environmental conflicts
- Attach conditions which conflict with WWF's policies and principles
- Restrict WWF's freedom to constructively criticize the companies' policies or actions concerning the natural environment
- Violate local environmental laws and standards
